

GB CONSTRUCTION

GB Construction will handle your claim from intake to resolution. We are armed with the resources and relationships needed to effectively make a difference. We have partnerships with the leading experts, vendors, and defense attorneys in the construction industry. We understand the balance in protecting your business and managing loss costs. We can build a customized approach for each program from the ground up by leveraging our resources and relationships to meet your needs and expectations. Our superior service and knowledge set us apart. Our team has the experience to handle large construction claims arising from any line of liability.

PERFORMANCE MONITORING

LUMINOS & Scorecard

STEWARDSHIP

Trend Analysis & Benchmarking

At GB Construction, our first in class analytics are designed to help both our clients and claim professionals assess opportunity and make informed decisions. LUMINOS, our industry leading RMIS, shines a light on your data, providing access in an insightful and powerful way. Our Stewardship process utilizes sophisticated techniques to identify areas of opportunity, and then delivers results.
